

WILEY

LEADING MEDICAL AND SCIENTIFIC RESEARCH

RELIABLE SCIENCE FOR YOUR PRACTITIONERS

Access current, authoritative and reliable research from the world's most influential scientific and medical societies. From **Wiley's Medicine and Nursing Collection**, the **Cochrane Library** and **Essential Evidence Plus** to the **Daily POEMs**, we help ensure that providers in your organization have access to the high-quality, validated research in Healthcare, Clinical Medicine and Animal Health they need to carry out their work.

Give providers in your organization access to evidence-based information to support patient care.

BESPOKE CONTENT PACKAGES TAILORED TO YOUR NEEDS

We'll work with you to craft content packages tailored to the needs of practitioners and researchers in your organization. You can combine:

- **Cochrane Library:** Trusted evidence informing daily decisions made by doctors, nurses, students, patients, and researchers in more than 130 countries.
- **Journals:** The best ROI for current, authoritative published research.
- **Wiley's Medicine & Nursing Collection:** Over 400 journals covering critical healthcare issues.
- **Online Books:** DRM-free, unlimited concurrent users, and usage-based collections.
- **Wiley's Healthcare Online Books Collection:** 1900 titles including the Hospital Core and Hospital Extended collections.
- **Major Reference Works:** 250+ combined works of some of the world's leading experts in their fields.
- **Articles:** The most cost-effective option for discovery and access to unsubscribed content with Article Select Tokens.
